Docket No. 2002-345

July 2, 2002

VERIZON NEW ENGLAND INC.  
D/B/A VERIZON MAINE  
Request for Approval of Amendment No. 1  
to Interconnection Agreement with  
MRCC d/b/a UNICEL

ORDER APPROVING  
AMENDMENT NO. 1 TO  
INTERCONNECTION  
AGREEMENT WITH  
MRCC D/B/A UNICEL

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

---

In this Order, we approve an amendment to an Interconnection Agreement between New England Telephone and Telegraph Company d/b/a NYNEX (NYNEX) and MRCC d/b/a UNICEL (MRCC), pursuant to section 252 of the Telecommunications Act of 1996.

On August 26, 1997, in Docket No. 97-342, the Commission approved an interconnection agreement between NYNEX and MRCC. The agreement approved by that Order was negotiated between NYNEX and Unity Cellular Systems (UNICEL), and assigned from UNICEL to MRCC, Inc. by the Order, which also approved an unnumbered amendment to the agreement. On August 1, 2000, NYNEX changed its name to Verizon New England Inc. d/b/a Verizon Maine.

On June 10, 2002, Verizon Maine filed Amendment No. 1 to its agreement with MRCC pursuant to 47 U.S.C. § 252, enacted by the Telecommunications Act of 1996. Interconnection agreements provide for interconnection between an incumbent local exchange carrier (ILEC) and another telecommunications carrier, including a competitive local exchange carrier (CLEC). An interconnection agreement may allow a telecommunications carrier to purchase unbundled network elements or local services at a discounted wholesale rate (the discount reflecting avoided cost), or both, from an ILEC (or CLEC). The amendment provides for reciprocal compensation for the transport and termination of local traffic.

Section 252(e)(2) states that a state commission may reject a negotiated agreement only if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or if "the implementation of such agreement or portion is not consistent with the public interest, convenience and necessity." We received no comments by the comment deadline set in a June 13, 2002 Notice of Opportunity to Comment Agreement. We do not make either of the findings set for in section 252(e)(2) for rejection, and we therefore approve the agreement amendment.

We qualify our approval in two respects, however, and reserve findings on future potential issues. First, we reserve judgment on whether the rates contained in the

amended agreement are reasonable from the perspective of Verizon Maine's retail ratepayers. Verizon Maine is presently under an alternative form of regulation (AFOR) ordered by the Commission in Docket No. 94-123. The AFOR began in December, 1995. Under the AFOR, Verizon Maine bears the risk of lost revenues resulting from rates that are too low. In Docket No. 99-851, we have continued the AFOR until May 31, 2006. We do not resolve whether Verizon Maine is receiving reasonable compensation from any CLECs that may avail themselves of the rates provided to MRCC pursuant to 47 U.S.C. § 252(i).

Second, section 271(c) of the Act, 47 U.S.C. § 271(c), requires that the Bell Operating Companies (BOCs) meet certain requirements before they are allowed to provide interLATA service (the so-called "competitive checklist"). Under section 271(d)(3), the Federal Communications Commission (FCC) must determine whether the BOC has met the competitive checklist before granting the BOC authority to provide interLATA service within its region. Prior to making that determination, the FCC must consult with state commissions to verify the compliance of the BOC with the checklist. Our approval of this agreement amendment should not be construed as a finding that Verizon Maine has met those requirements.

The agreement amendment filed by Verizon Maine provides for interconnection between MRCC and Verizon Maine's network in Maine. If MRCC seeks to interconnect with networks maintained by other incumbent local exchange carriers in Maine, it must seek a termination, suspension, or modification of the exemption contained in 47 U.S.C. 251(f)(1)(A).

## **ORDERING PARAGRAPHS**

Accordingly, we

1. Approve Amendment No. 1 to the Interconnection Agreement between New England Telephone and Telegraph Company d/b/a NYNEX and MRCC d/b/a UNICEL attached hereto, pursuant to 47 U.S.C. § 252(e); and

2. Order that the Administrative Director shall make a copy of the attached Amendment available for public inspection and copying pursuant to 47 C.F.R. § 252(h) within 10 days of the date of this Order.

Dated at Augusta, Maine, this 2<sup>nd</sup> day of July, 2002.
